

Lennox Computer - LILAC Agent Installation Guide

Installing the LILAC Client APK on Android (For RACQ Users)

1. Download the App

- Open your Android device's browser.
- Visit: <https://lennox.com.au/app-release.apk>
- If prompted about APK downloads, choose 'Download anyway'.

2. Allow Installation from Your Browser

- When opening the downloaded file, Android may block installation.
- Tap 'Settings'.
- Enable 'Allow from this source'.
- Return to the installer.

3. Install the LILAC Client

- Tap 'Install'.
- Wait for installation to complete.
- Tap 'Open' to launch the app.

4. Updating the App

- Download the latest APK from the same link.
- Install it the same way.
- Your data remains intact.

5. Security Notes

- Only install from the official Lennox Computer link.
- APK is digitally signed for authenticity.
